INGENIEUR.de
TECHNIK - KARRIERE - NEWS

powered by VDI Verlag

Publish your vacancy on the job page at INGENIEUR.de, the VDI Verlag's engineering, career and news website. Here you will quickly and efficiently find the right candidates for your company, including engineers and IT engineers, career starters, young professional and skilled personnel and managers with an engineering background, all of whom are actively and passively looking for a job.

We also publish all new INGENIEUR.de vacancies on an overview page in VDI nachrichten. By providing the company name, job title, location and job ID, your advertisement will also reach the 340,000 VDI nachrichten readers (AWA 2020).
